Important

- Mille Lacs Energy rebates customers \$25 with operating central air conditioners or air source heat pumps over three years of age and that have not been tuned up in the last two years.
- Rebates will be applied directly to the electric bill. Forms must be submitted by **September 30, 2022**.
- Submit completed rebate form (or similar form) signed by both the contractor and the customer must be submitted to:
Attn: Jana Fremling
Mille Lacs Energy Cooperative
PO Box 230
Aitkin, MN 56431
