2. Was a soil conductivity test completed? Yes No

Contractor Information

Name _____ City _____ State _____

Rebates are available for GSHP's purchased on or after January 1, 2019. The GSHP must be installed where electricity is supplied by the MLEC. Rebate submittal must follow the guidelines as outlined by the Cooperative. The Cooperative is not responsible for inaccurate information supplied by vendors.

I certify that the GSHP for which I am claiming a rebate is a qualifying appliance, that it has been installed at the address listed above and that this address represents a valid Cooperative account.

Signature _____ Today's date _____

Important

- Rebate amount is \$400 per ton.
- The GSHP must be installed within MLEC's service territory.
- Fill out the form completely. Incomplete forms will not be processed.
- Include your account number and sign the form.
- Submit completed rebate form and a copy of the original sales receipt within 90 days of purchase date to:
